ST. THERESE OF LISIEUEX CELEBRATES

# BLACK HISTORY MONTH COMPETITION

Aretha Franklin will forever be remembered as the Queen of Soul. This African-American singer, songwriter, actor, pianist used her talents to advocate for social justice and equality in our country. Her signature song "Respect" became the battle cry of the racial and gender movement as it reflected the need of the average man and woman. It has been documented that this socially conscious artist would use the monies from her fundraiser concerts and album sales to help fund the civil rights movement. From the stage, she was known to encourage people to register to vote. Throughout American history, there has been many other African-American entertainers, who like Ms. Franklin, used their talent(s) to advocate for equality. Identify one such person. In your own words, tell this person's story. Identify how this person has influenced you.
