Biography St Therese of Lisieux

St Therese of Lisieux (1873-1897) was a French Catholic who became a Carmelite nun at an early age. She died in obscurity at the age of 26. However, after her death, her autobiography – Story of a Soul was published and became a best-seller around the world. Her books explained her spiritual path of love and selflessness, and she became one of only three females to be considered a doctor of the Catholic Church.

WORDS OF ST. THERESE OF LISIEUX

“Do you realize that Jesus is there in the tabernacle expressly for you alone? He burns with the desire to come into your heart... don’t listen to the demon, laugh at him, and go without fear to receive the Jesus of peace and love...”
