**“With Confidence and Love...”**

Dear brothers and sisters,

Shalom to you all. I greet you with the **Kiss** Principle for the Lenten season.

**Keep it simple servants.**

I am inviting each group and each ministry to give a 3 to 5 minutes talk about their ministry. Tell the community how you evangelize, how your ministry is fulfilling the mission statement of the parish. Make this presentation appealing to invite others to join you.

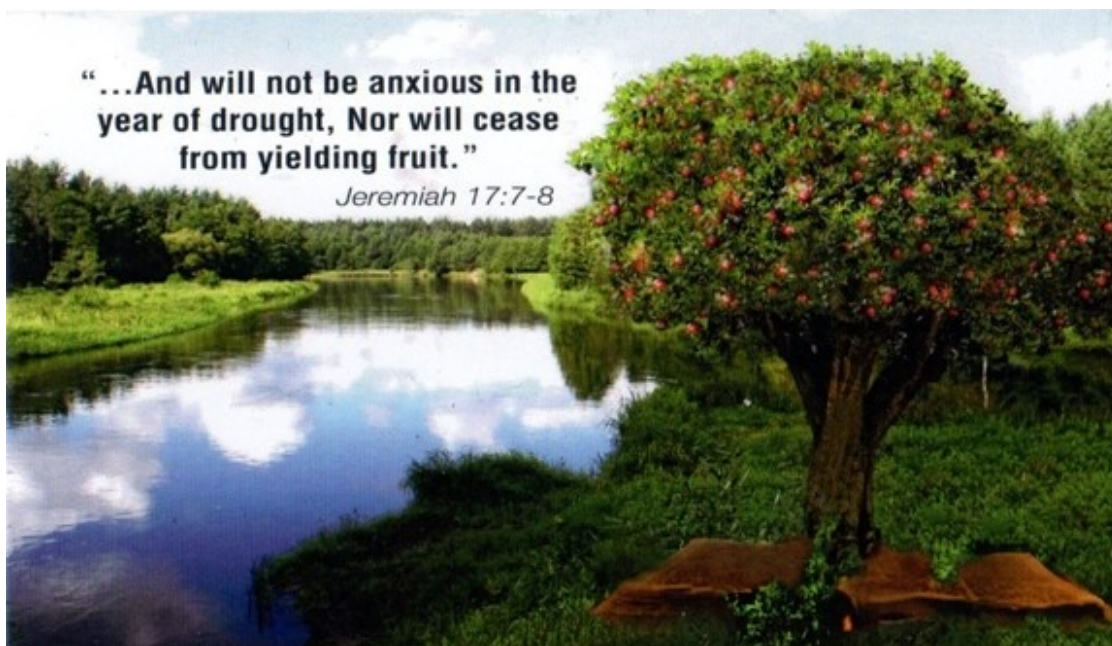

Each group has a binder in which you included your profile, objectives and your goals based on the stated vision; It is good to evangelize, to let people know what you do, where, how, and with whom? Do you use effective means to evangelize such as flyer, one on one, group sharing, activities, and technology? It is time to consider New Strategy, “Put out into the deep”. Luke 5:4

Each Sunday a group will have the opportunity to do that. It will be done in alphabetical order. The list is below. If you have any question please contact Fr Mendes via email or phone. Picture Your ministry as a branch in the tree. You are called to bear fruits.

Yes, it is good to **keep it short and simple** with smart goals.

May this Lenten season be a great opportunity for spiritual renewal and abundant harvest for all.

Thank you.

**“...And will not be anxious in the  
year of drought, Nor will cease  
from yielding fruit.”**

*Jeremiah 17:7-8*

Sincerely,

*Rony Mendes*

Fr Rony Mendes, Your servant Leader
