FLU SHOT

This year the Flu and Covid 19 will likely circulate at the same time, therefore getting the flu vaccine is more important than ever. The Flu vaccine will not prevent Covid19 but will help decrease the risk of you and your family getting sick and needing medical care. Make your appointment with your health care provider, neighborhood pharmacy or call 311 for a center close to you giving flu shots.

Third Sunday in ordinary Time

In today's reading of the Letter to the Corinthians, St. Paul describes how members of the Christian community have different functions and gifts that contribute to the unity of the community. St. Francis de Sales speaks of the gifts that unite us in our differences:

As members of the body of the Church, we are so united that we share in the good of one another. Even the sick who practice many admirable virtues in their illness contribute to the well being of the community. Our Savior wishes that holy love unite us. As living members of Jesus Christ and the Church, the fruits of our labor flow down upon those who are united by sacred love. Many grapes are pressed together to make one wine. Many grains of wheat are ground and kneaded together to make one single loaf. The gift of our sharing the Eucharist together is the source of our union, for the Eucharist unites us as children of God.

We must give great value to the gifts received from God and do our best for the welfare of all. This may be difficult at times. We may have many doubts in accepting the responsibilities given to us. However, in simplicity of heart we must say, "I can do anything in God who strengthens me." We do what we have to do: not troubled by the greatness of the task, the amount of time required, or the many delays encountered. For the Holy Spirit dwelling in us makes our frail works display the greatness of God's love that unites us.
